Mercury Verado. Mercury's new four-stroke outboard leaves old-school outboard engineering -- and even some new technology -- in its wake. Outboard builders are getting smarter about making better motors for boaters. Mercury's new Verado series in 200, 225, 250 and 275 horsepower were years on the drawing board and two more years in R&D before one rolled off the production line.

~~Verado® 250-400 | Mercury Marine~~

The whole idea behind Verado was to give four-stroke outboards a much-needed performance boost. Prior to 2004, four-strokes were praised for their quietness, reliability and fuel efficiency. But they were widely regarded as being heavy and sluggish, especially in regards to getting out of the hole.
