I have a Polaris
sportsman 500 efi
and I'm having

Download Free 2008 Polaris

idling problems.

When I bought the quad it idled fine. I

stopped topped off the tank, maybe a

gallon, and after a few runs at home I

can't get it to idle.

It's a 2008 with only 19 hours, 130

miles on it,

obviously it has sat for a while.
