elusive, a buzzword often falling prey to corporate and ideological interests. This book was collaboratively written by six authors, as an experimental five day Book Sprint in January 2010. Developed under the aegis of transmediale.10, this third publication in the festival's parcours series resulted in the initiation of a new vocabulary on the forms, media and goals of collaborative practice. In June 2010, the book was rewritten as a part of the Re: Group exhibition at Eyebeam, NY. This second edition invited three new authors to challenge the free culture sentiment

“Collaboration Explained is a deeply pragmatic book that helps agile practitioners understand and manage complex organizational and team dynamics. As an agile coach, I’ve found the combination of straightforward advice and colorful anecdotes to be invaluable in guiding and focusing interactions with my teams. Jean’s wealth of experience is conveyed in a carefully struck balance of reference guides and prose,

Facilitating just-in-time learning in the agile spirit. All in all, a superb resource for building stronger teams that's fit for agile veterans and neophytes alike." –Arlen Bankston, Lean Agile Practice Manager, CC Pace "If Agile is the new 'what,' then surely Collaboration is the new 'how.' There are many things I really like about Jean's new book. Right at the top of the list is that I don't have to make lists of ideas for collaboration and facilitation anymore. Jean has it all. Not only does she have those great ideas for meetings, retrospectives, and team decision-making that I need to remember,

opportunities in the nation. Depending on the season, or your fishing preference, you can canoe a remote pond in search of native brook trout, cast dries in solitude for rising trout on a large freestone river, troll in a lake for salmon, or search for stripers along some of the most beautiful and rugged coastline in America. Because of this diverse fishing, it is no surprise that Maine also has a rich fly tying tradition. In this book, Maine guide, fly designer, and former fly shop owner Bob Mallard shares with readers 50 essential flies from guides and other experts around the region. Detailed recipes and
