A draw along workbook that addresses the mechanical technique of figure drawing. The easy-to-grasp system of proportions assures an accurate human figure, and step-by-step exercises will help you make the figure seem to move on the page. Once you've got that down, you may move on to the techniques needed to clothe the figure, including a study in fabric hang, drape, and fold.

Comprehensive visual images carefully illustrate how to render dynamic characters with personality, covering clothes, hats, props, fabrics and choice of medium for those who want to draw characters in preparing for costume design, in a new edition that covers historical periods and children and music/dance characters. Original.
