[NEVER GIVE YOUR SLANDERER THE PLEASURE OF RUINING YOU! Dear Reader, This book is not a religious one though I am Christian. On the contrary it is purely based on psychology, law and medicine. The defamation victim need not be a Christian in order to understand this book. It is a simple guide to enable people to help themselves. This is a guide for slander victims; it will help them to understand their perpetrators and handle the problems effectively. It aims at helping the slander victims to realize their responsibilities to themselves, get back their lost health \( physical, mental, emotional and spiritual\), and to heal, rebuild themselves more stronger and emerge as a winner. If you have a family member or friend who is being slandered, kindly recommend this book to them. If you have any other doubts after reading this book feel free to leave an email. I will be glad to be of help. I started a new page today on FB titled Sandra Houston-Counseling & Prayers. You can leave a message there. Like I said this book focuses on psychology, medicine and legal aspects only \(though it is written with much love and prayers\). Even kids can understand it as it simple devoid of any technical jargon. So feel free to share what you read here with people in your lives who needs it. God bless you! -Sandra Houston](#)

[SLANDER IS NOTHING LESS THAN MURDER- MURDERING SOMEONE WITH WORDS! We, the common people, come across slander and libel very often these days with the advent of internet, social-networking sites, forums and blogs. It seems like people lost their ability to "think" before they speak or type anything harmful. It is not hush-hush secret gossips or private friendly "banTERS" anymore \(which is equally sick and disgusting\) but it is aired in public where it reaches almost everyone we know. Slanderers are mainly losers who lead loser lives. They are immature, envious, pessimistic attention-seekers who are desperate, unhappy and have a whole lot of mental conditions. Slander causes confusion, anger, shock, trauma, hurt, humiliation, stress, anxiety and depression to the victim and their loved ones. It is a crime and a deadly sin. The most painful thing is when someone who claims to be a Christian slanders a person with lies and assumptions. Christians who are slandered by other "Christians" is traumatized as it is confusing and unexpected to be attacked by someone of your own kind. But are those monsters really of your own kind? Do parts of the same body viz. Christ hurt each other? This book aims to show who a slanderer really is. They are NOT Christians. Understanding about the enemy's true color brings peace as truth will set you free. I know that I will be attacked by the so-called Christians who wants to justify their actions or hobbies of slandering. I don't care. All I want to do is to reach out to those who are being slandered. God bless you. -Sandra Houston](#)

[Pain is NOT the end of your story. Katie Souza was a career criminal, and after being convicted of a number of felonies, she was sent to federal prison to serve almost twelve years. While serving what would be her final prison sentence, Katie encountered God in a way that dramatically changed her life. She immediately became an outspoken advocate for Jesus, and her infectious love for Him caused many women inside her cell block to accept Him as their Savior. Her story is a vivid demonstration of the desperate need we have for the healing of soul wounds|the often unidentified impediment that holds us back. Through this remarkable story and teaching, you will be able to find a pathway to healing and receive the blessings God is pouring out.](#)

[A guide to invocations, rituals, and histories at the intersection of magic and feminism, as informed by history's witches--and the sociopolitical culture that gave rise to them. When you start looking for witches, you find them everywhere. As seekers and practitioners reclaim and restore magic to its rightful place among powerful forces for social, personal, and political transformation, more people than ever are claiming the identity of "Witch." But our knowledge of witchcraft and magic has been marred by erasure, sensationalism, and sterilization, the true stories of history's witches left untold. Through meditations, stories, and practices, authors Risa Dickens and Amy Torok offer an intersectional, contemporary lens for uncovering and reconnecting with feminist witch history. Sharing traditions from all over the world--from Harlem to Haiti, Oaxaca to Mesopotamia--Missing Witches introduces readers to figures like Monica Sjoo, HP Blavatsky, Maria Sabina, and Enheduanna, shedding light on their work and the cultural and sociopolitical contexts that shaped it. Structured around the 8 sabbats of the Wheel of the Year, each chapter includes illustrations by Amy Torok, as well as invocations, rituals, and offerings that incorporate the authors' own wisdom, histories, and journeys of trauma, loss, and empowerment. Missing Witches offers an inside look at the vital stories of women who have practiced--and lived--magic.](#)

[The Bible tells us that our mouths are to be fountains of life, but our day-to-day interactions prove otherwise. So how do we address our hearts as well as our words? This book explores the impact our words can have and helps us develop a filter to hold back things we shouldn't say.](#)

[This man had remained on the same spot helpless, hopeless, abandoned, rejected, impotent and unforgiven for 38 years! \(That was even before Jesus was born\). He had no man to help him. He stayed by the well of blessings and miracles for 38 years, yet all was not well with him. Many knew he had an ugly past. Some had forgotten about him. Most never knew who he was. To his family, he has been forgotten. To the society, he was no longer relevant. The Bible even never mentioned his name. But one day, Jesus was going to the Temple and stopped by to attend to him. He did not even know Jesus. Why would Jesus stop because of a man who had an ugly past? Why would Jesus stop because of such a man who never have faith to be healed nor ever knew Jesus? Why would Jesus stop because of a man who is unforgiving and unforgiven? Jesus stopped and asked this man a simple but heart-searching question: "DO YOU WANT TO GET WELL?" This book is specially written for three reasons. | To find peace in God's forgiveness | To find peace in forgiving others | To find peace in forgiving yourself The healing begins when the silence is broken. "DO YOU WANT TO GET WELL?"](#)

[The idea that our bodies can be physically healed through the exercise of spiritual gifts is controversial within the church. Some believe that God doesn't do miracles any more, as the so-called sign-gifts are believed to have ceased in the apostolic era. Others, particularly the televangelists, manipulate people through shameful practices rooted in the love of money and fame. Hype abounds. In this book, Dr. Stephen Crosby presents a biblical, Christ-centered, reasonable and redemptive alternative to either extreme. Understanding the Scripture's Semitic \(non-Western\) worldview of community, disease, sickness, and health is key to the effective appropriation of physical healing. Dr. Crosby's incisive and candid analysis cuts through the popular culture hype, and presents a compassionate God who is, and will always be, our Healer. Dr. Crosby and his wife, Rita, were saved in the Charismatic Renewal that swept through upstate New York in the early seventies. Since then, their lives and ministry have spanned North America. They have pioneered and pastored local churches in three states. Dr. Crosby has ministered in churches, seminars, conferences, and Bible schools in nations on five continents.](#)

[Jesus declared that healing is the children's bread. It is the divine right of every believer to walk in divine healing, divine health and divine life. However, as long as there are questions in your mind as to whether or not it is God's will to heal, your faith will be hampered from receiving what Jesus legally purchased for you. Sickness is the offspring of its parents, Satan and sin. It came into the earth on the wings of Adam's sin and infected all of humanity. Jesus came into the earth as Savior, Redeemer and Healer. The Scripture says, "Jesus was anointed with the Holy Spirit's power and went about doing good, healing all those who were oppressed of the devil." The devil is the oppressor and Jesus is the healer. Never forget this! Since Jesus Christ is the same yesterday, today and forever, He is still anointed to heal. The ministry of Jesus, today, is still a miraculous, healing ministry as it was when he first walked the streets of Jerusalem and the shores of Galilee. This book will answer the important healing questions and reveal God's thoughts towards your wellness. This book will eliminate doubts, banish fear and boost your faith to receive your inheritance. As you meditate upon the truths of these chapters, you will discover... -Did healing pass away with the apostles? -Is God glorified through sickness? -Am I entitled to divine health in old age? -How to resist sickness -How to receive your healing -101 healing promises -Daily healing confessions to cover your life His Word is medicine to our flesh. He sent His Word and His Word healed them all. You are part of the "all" He sent His Word to heal. Receive your healing NOW!](#)
