A Wizard, an Angel, and a Horseman of the Apocalypse walk into a bar... The ancient pact between mankind, Heaven, and Hell has been broken. And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or

Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

The first three novels and the prequel novella in the million-selling Nate Temple Series: Obsidian Son, Blood Debts, Grimm, and Fairy Tale. My name is Nate Temple, and I'm secretly a wizard. I ride a foul-mouthed unicorn, I drink with Achilles, and I'm pals with the Four Horsemen. I've even cow-tipped the Minotaur. I understand the theory of following the rules; I'm just not very good at the application. Because rules were meant to be broken, and St. Louis has a bit of a supernatural infestation these days. Someone should probably be keeping an eye on these things-and probably an eye on me, too. Before I blow up another building; or three.

My resume is pretty full: I've cow-tipped the Minotaur, decimated a gang of weredragons, sucker-punched an Angel, and eaten pancakes with the Four Horsemen of the Apocalypse... I've kidnapped one of the most powerful wizards on the planet, and slaughtered the Brothers Grimm. I'm kind of a big deal. But I never thought I'd find myself at a crossroads, a pawn in a deadly game that I hadn't known existed, willing to sell my soul to save the life of someone I loved... That's when I learned true fear, because the world I thought I knew was all just smoke and mirrors, and I was just a puppy playing amongst wolves... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fifth installment of The Amazon Bestselling Nate Temple Supernatural Thriller series.

The Brothers Grimm - legendary supernatural assassins - have escaped their prison, and their first day in St. Louis could be Nate Temple's last... Sharing a beer with Death - one of the Four Horsemen of the Apocalypse - really put a few things into perspective for this foul-mouthed, billionaire wizard. Like finally strapping on the boots to propose to his girlfriend. But assassination contracts have a way of putting wedding plans on hold. Perhaps permanently. And with the entire wedding party on the bloodthirsty Grimm's hit-list, and his family fortune in jeopardy, Nate realizes they can't run and they can't hide. So, time to do magic and stuff... But with every flavor of supernatural thug teaming up to help the Grimms, Nate realizes that friends have become enemies and enemies have become friends, and he's forced to cross lines that are better left uncrossed. When magic, claws, and teeth dance to the song of war, the only thing left to learn is who lives and who dies. And if Nate can live with the consequences. No wonder a guy is terrified to propose... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fourth installment of The Nate Temple Supernatural Thriller series.

You thought you knew how crazy the TempleVerse could get? Hold my beer; LAST CALL is a collection of three drunken novellas set in the TempleVerse, including: Motherlucker-Callie and Quinn's girls' night out in Vegas. Collins-Quinn's prequel novella to the Phantom Queen Diaries. Beerlympian-Gunnar's bachelor party. Get ready for some shenanigans; You might need a drink just to comprehend the insanity.

intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.

Thanksgiving Dinner plans with Death, an Angel, a vampire, Achilles, and a slew of other monsters are cut short when the Beast Master comes to town. Because he's kidnapping shifter kids for his Monster Circus... And the Queens of Fae would like a little deep-fried wizard for the holidays. Oh, and Nate is losing that last finger-hold on his sanity: hallucinating, and talking to creatures that no one else can see. The demon inside of him is getting stronger, fighting for dominance, and only one of them can survive. But when a wizard curses Nate, extorting him to rescue a lethal Chimera child from the Beast Master, Nate's only option is to partner with his inner demon, risking his very soul. But his friends begin to doubt and fear this new, darker Nate, taking matters into their own hands - even when that means standing against him. With allies turned enemies, the Fae breathing down his neck, and a dangerous child's life on the line, Nate must call upon, bully, and coerce new storybook legends and gods to save his traitorous friends from becoming the Beast Master's next victims... Discover what - if anything - Nate is willing to sacrifice to save the friends who betrayed him...

Nate Temple has been abducted by Zeus and is thrown into the middle of an Olympian family feud that could very well kick off the Omega War all by itself. He will need every ally and every tool at his disposal to have a chance at surviving. The only problem is that none of those allies have any idea where he is, but they're scouring the world to find him. Before it's too late.

The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die. Callie Penrose wields the Spear of Destiny and wears Envy's Halo - the corrupting power of darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered to hide the truth of the Divines and the Sev'n Most Sinist'r. Heaven has deemed her a criminal and Hell begs her to be their queen or die. The Vatican is preparing to march on the City of Fountains to defend mankind against the horrors of the White Rose, the new Master Dracula, once and for all. The answers to her past - and mankind's future - are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into - and out of - trouble. Let's just hope the city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.
