Admissions Test (BMAT) is a notoriously difficult test, testing your problem solving, critical thinking, knowledge of principles of Science and Maths, and ability to write an essay that guides its reader to a logical and reasoned conclusion - all within a tight time limit. Your score in the BMAT can make or break your application, as it tests all the skills that admissions departments look for in a top medical student.

Therefore, it's essential to score as highly as possible on this crucial exam. Written by BMAT specialists, doctors and top medical tutors, and full of insider knowledge and tips, The Ultimate BMAT Collection is designed to help you make the most of your preparation, approach the test with confidence, and get those top scores. This is the first BMAT theory and practice book on the market, providing not only practice questions but breaking down the BMAT exam step-by-step. The authors, both leading specialists in BMAT training, focus on each section in turn, using many sample questions to carefully illustrate the theory rather than simply testing rote learning. A concluding mock exam allows candidates to consolidate learning through self-assessment, with model answers to refer to at the end.
