Put your vocabulary skills to the test with this witty and engaging book. Improve Your Word Power is primarily a collection of multiple-choice challenges in which the reader is asked to decide which definition of a given word is correct. But it's actually so much more than that. Each topic is themed - from words borrowed from French to words about colours; words from Shakespeare to words that sound alike - and the answers are wonderfully informative and accessible, each giving readers the chance to say 'Gosh! I didn't know that!' even with

Read Book Build Up Your Word Power

quite familiar words. Interspersed throughout are boxes that feature odd definitions, confusable words and fun facts that make the language come to life. Written by Sunday Times bestselling author Caroline Taggart, this is a book that is aimed at readers who want to improve their vocabulary for the sheer enjoyment of it - and have fun doing so.

A systematic guide to spelling, grammar, and usage, designed to increase vocabulary skills

The Exclusive Method You Can Use to Learn—Not Just Memorize—Essential Words A powerful vocabulary expands your world of opportunity. Building your word power will help you write more effectively, communicate clearly, score higher on standardized tests like the SAT, ACT, or GRE, and be more confident and persuasive in everything you do. Using the exclusive Fiske method, you will not just memorize words, but truly learn their meanings and how to use them correctly. This knowledge will stay with you longer and be easier to recall—and it doesn't take any longer than less-effective memorization. How does it work? This book uses a simple three-part system: 1. Patterns: Words aren't arranged randomly or alphabetically, but in similar groups based on meaning and origin that make words easier to remember over

Read Book Build Up Your Word Power

time. 2. Deeper Meanings, More Examples: Full explanations—not just brief definitions—of what the words mean, plus multiple examples of the words in sentences. 3. Quick Activities: Frequent short quizzes help you test how much you've learned, while helping your brain internalize their meanings.

Discusses ways to expand vocabulary, featuring everyday words that are the essentials of a good vocabulary, lessons and exercises to utilize words in context, and tips on how to figure out new words and roots.

Do you ever find yourself using a word without fully understanding its meaning? What kind of liar is egregious? Do you have a perspicacious mind? Words are a valuable resource and essential to social and business success, yet often we find ourselves struggling to use them appropriately. Improve Your Word Power is a step-by-step course for improving your language skills. Beginning with a test of your present vocabulary, it goes on to present a series of forty self-study sessions in twelve chapters. Each word is linked to an easy-to-remember example in which it can be used. Further sessions lead you on to etymologies and word-building, and give links to 'families' of associated words. At the end of each session, a test enables you to check your progress. Packed with lively examples and anecdotes of

Read Book Build Up Your Word Power

words in action, learning advice, and 'Teaser Questions', Improve Your Word Power is a stimulating and informative means of boosting your language skills.

Explains how to use renowned educator Howard Gardner's Multiple Intelligences theory to increase vocabulary for academic success, with exercises introducing new words, a master list of approximately one thousand words, and quizzes to help people gauge their word-learning progress.

Provides a pretest covering academic words, synonyms and antonyms, prefixes and suffixes, context clues, and parts of speech, followed by thirty short lessons and a posttest to assess progress.

You can read books to build word power or you can solve crossword puzzles. The advantage of solving is that there is experience involved. You worked hard to figure out the clues so it is likely that you will not forget the learning you found. This way, you don't just learn the word, you also know what that word actually means. So grab a copy toda
