Business Process Management: The Third Wave by - Amazon.ae

This textbook is ideally suited for classes on business process management, information systems architecture, and workflow management. This 3rd edition contains a new chapter on business decision modelling, covering the Decision Model and Notation (DMN) standard; the chapter on process choreographies has been streamlined, and numerous clarifications have been fetched throughout the book.

and Peter Fingar position their thinking as the third wave of business process management (BPM), in doing so helping to realize Toffler's still emerging vision. From both a business and information technology perspective, it is almost as if Toffler was the prophet and third wave BPM the fulfillment of the prophecy.
