Dawn of Wolves (Kingdom of Mercia #3) by Jayne Castel is a kindle scout book. I haven't read the first two books and I didn't get lost. I am not one for romance but yeah, look at this cover! Wow, I am old but I still have some hormones! Anyway, this was a lot better than I thought a romance novel was going to be.

The Dawn's Wolves are a rare successors of the venerable and feral Space Wolves Chapter, an oddity made possible by the creation of the Primaris Astartes. They have been created extremely recently, coming together as a Chapter only after the end of the Indomitus Crusade, from the ranks of the Unnumbered Sons. Since that time, the errant Chapter has made it best to defend the borders of the Imperium and bring the wrath of Lemman Russ upon the enemies of Mankind.
