Development As Freedom

Indeed, in Sen's viewpoint, education and social development is a fundamental freedom that is desirable in itself and not just because of its impact on the commodity production process. Development as Freedom touches on every topic under the sun; from philosophy to sociology and from science to - of course - economics.

In Development as Freedom,  
Amartya Sen tells us that  
the process of development  
is best understood as  
expansion of the freedoms  
that people enjoy in five  
spheres: political,  
economic, social,  
transparency (in the sense
