Cultural studies regards high culture as official culture and popular culture as unofficial culture. Folklorists tend to regard only folk culture as truly unofficial. Like academic culture, which is selfconsciously sponsored by non-profit organisations, popular culture is deliberately sponsored by for-profit agencies. Both manipulate their audiences

Folklore studies, also known as folkloristics, and occasionally tradition studies or folk life studies in the United Kingdom, is the branch of anthropology devoted to the study of folklore. This term, along with its synonyms, [note 1] gained currency in the 1950s to distinguish the academic study of traditional culture from the folklore artifacts themselves.

Folklore studies has roots in the Enlightenment, Romanticism, and philological studies in Europe. The word itself was coined in 1846 by British scholar William Thoms. The collection efforts by the Brothers Grimms, for example, happened as part of an intellectual wave sweeping Europe, characterized by fascination with the artistic forms of peasants (which were then thought of as remnants from ancient civilizations watered down, or corrupted transmissions from elite culture).

Description: The Journal of Folklore Research is an international, peer-reviewed forum for current theory and research among scholars of traditional culture. Its pages include incisive examinations of vernacular or traditional expressive forms, as well as essays that address the fieldwork experience and the intellectual history of folklore and ethnomusicology studies.

Journal of Folklore Research on JSTOR

Folklore as a scholarly term is used in a broad sense to refer to manifestations of traditional knowledge: that is, cultural practices and expressions learned through word of mouth, imitation and demonstration, and custom.

Folklore - Anthropology - Oxford Bibliographies

Folktales of different cultures have an important place in the social studies classroom. By quickening curiosity about other cultures, folktales can help students to appreciate the reality of human diversity. 1 At the same time, the common elements in folktales may serve to increase children's empathy with people of other cultures.

The British version of cultural studies was developed in the 1950s and 1960s mainly under the influence first of Richard Hoggart, E. P. Thompson, and Raymond Williams, and later Stuart Hall and others at the Centre for Contemporary Cultural Studies at the University of Birmingham. This included overtly political, left-wing views, and criticisms ...

What Is Cultural Studies | Definition Of Cultural Studies ...

British Cultural Studies is a comprehensive introduction to the British tradition of cultural studies. Graeme Turner offers an accessible overview of the central themes that have informed British cultural studies: language, semiotics, Marxism and ideology, individualism, subjectivity and discourse.
