Global warming, pollution, food shortage, security, and health care are major issues facing us and our planet. These global challenges have inspired scientists and engineers to design materials, processes, and enabling tools that mimic nature and are less intrusive. The aim of the Handbook of Biomimetics and Bioinspiration is to serve as a reference on synthesis, modification, assembly, packaging, transportation, targeting, and recognition at their destination, conservation of information and response to foreign invaders, the creation of a dynamic living system from these assemblies, and the use of the principles governing biological systems for creating novel biomimetic systems. Presented in a set of three volumes, this handbook covers biomimetics and bioinspiration within the scope of materials, mechanics, dynamics, transport, chemical reactions, control, recognition, and informatics.

She's on the sheriff's most wanted list. Waking up with a naked woman holding a knife at his throat is just about the last thing Sheriff Travis Flynn expected. And the brother she's looking for? A murderer. And dead. Probably. But the real shock comes when she insists she's not a Lycan. LeAnn Wilcox isn't looking for love...especially not from some wolf in sheriff's clothing. She operates on the other side of the law. Once she finds her brother-alive-she'll get out of the pack's territory and go back to her regular, normal, non-furry life of changing jobs and her name whenever her past closes in. The cool, logical Sheriff has finally met his match, but LeAnn's life is at stake if she won't claim her place in the pack, especially once his control over the pack is challenged and her brother's fate is questioned.

The last thing he wanted was to fall for a witch... Veterinarian Kat Ramsey hasn't a clue that she's a witch. Sure, she can read minds, and there's the whole "dimension-hopping" issue that she can't quite control, but Kat is determined to keep things normal. That is, until she accidentally hops into the Otherworld and runs into Matthew Ryan?the seriously hot one-night stand from years ago who shoved her out of his dorm. Naked. And there's the tiny matter of the curse she gave him. May you never find satisfaction with another woman. Billionaire and former druid Matthew Ryan hasn't forgotten the curse, or the witch who gave it to him. Kat's unexpected return means the curse will finally be broken. Unfortunately, his libido has other ideas?like how to get her back into his bed one last time. * But far more worrying is his suspicion that Kat is the seventh Pleiades witch. Because while he's turned his back on his druidic ways, he's still bound to protect the woman who made his life hell. Each book in the Keepers of the Veil series is STANDALONE: * Protecting His Witch * His Witch to Keep * Playing the Witch's Game

Scott Sebastian is a liar. Fitting, since I'm a liar too. Yet there's no place for me in his glittering world of half-truths. With all our secrets in the open, I should stop trying. What I've learned should send me running far away. I can't keep pining for a man in love if I'm not the woman he's in love with. But it's not that easy to escape the Sebastians. I already knew they owned this city. Now I'll find out if they also own their son.
