For anyone who has read other HALO books ENVOY maybe a bit of a let down. It lacks the detailed and typical finesse of the other books. It does not paint a good descriptive picture of what 's going on in the story.

Envoy was a great read, and I highly recommend it to avid Halo lore readers and newcomers to the series as well, as long as you have somewhat of a basic understanding of the games. But even then, Tobias Buckell does a good job of explaining everything without it feeling like a slog for those who already know some backstory.
