The Jabra OTE3 is a compact Bluetooth headset compatible with cellular devices equipped with Bluetooth connectivity. Choose "On" to turn on Bluetooth on your phone and select to search for or add a new device. Select the "Jabra" heading from the list of available Bluetooth devices. Enter "0000" when prompted.

~~Instructions for the Jabra OTE3~~

Almost all modern phones can connect to an ambient bluetooth signal (this is the signal the device sends out when not in pairing mode, which is the default for all newer Jabra products when you first turn them on). When it detects the ambient signal, newer phones detect the device name and it shows up in your list.
