The Authority for Collector Car Pricing With 760 pages of pricing at your fingertips, the 2012 Collector Car Price Guide is the ultimate resource for car hobbyists. Whether you're looking to find a price on a blue ribbon show car, or a beater station wagon, you can find out what it's worth, and what people are paying for it, in the most comprehensive price guide on the market. • More than 250,000 accurate price listings for cars of all eras • Exclusive 1 to 6 condition grading places values in all conditions, from show car to parts car • Covers every mass-produced U.S. car, light trucks, and select imported cars and trucks • Explanation of the 1 through 6 condition rating system This is the only resource with pricing back to 1901! About the Author Ron Kowalke is a respected author and price analyst in the collector vehicle hobby. He is the editor of Old Cars Report Price Guide and technical/auction editor of Old Cars Weekly News & Marketplace. Kowalke analyzes and reports on the results of approximately 100 collector vehicles auctions annually.

Compiled by the author of Janes Air Forces of the World, this book is a must for aviation experts.In one volume the reader will find the composition and details of all air elements of a staggering 169 nations air forces and, where they exist, army air, naval air and such paramilitary organizations as the US Coast Guard Service.By definition such a book must be regularly updated and David Wragg has researched his subject right up to the minute. This latest book supersedes the authors early book in the Jane series.

A Guide to British television programmes shown at Christmas time, throughout the years.

Translated from the English of Conyers Middleton.
