Kabbalah is an ancient Jewish wisdom that explains the laws of spiritual energy. Up until very recently the Kabbalah was reserved for the elite, those who only after years of scholarship and practice were allowed to enter this mystical realm. However, one doesn't need to devote one's life to intense study to reap the rich rewards of the Kabbalah. With just a basic understanding of a few key concepts, our lives can be enriched immensely. We can then begin to fulfill our deepest dreams and reach our most important goals, becoming the people we long to become. By learning to understand the Sefirot--the ten spiritual properties that flow from the cosmic source into our heart--we can connect to the universe and profoundly transform our experience of daily life. For example, Hessed, or "loving-kindness," represents the desire to be generous, while Gevurah is the desire to focus intently or withhold. These properties must be balanced in order for harmony and well-being to occur. Rabbi Labi Wolf shows how to maintain that balance and enjoy a healthy and productive life by using simple meditation and creative visualization techniques to grasp the spiritual nature of our life. Practical Kabbalah draws upon ancient wisdom but offers a modern interpretation and easy-to-understand techniques for delving deeper into our selves and our world and for reaping the bounteous gifts that were always meant for us.

The Qabalah Workbook for Magicians is the perfect guide for the practicing magician who wants a greater understanding of Qabalah concepts and practice. Created by Anita Kraft, one of the world's most respected Qabalist teachers, this workbook teachers readers how to practice Qabalah using tarot, plants, stones, perfumes, the zodiac, and other magical sources. Kraft show how to work through the Sephiroth-- the ten attributes or emanations of Qabalah--for greater understanding and illumination. Drawing on occult works, including those of Israel Regardie, Aleister Crowley, Dion Fortune, and Lon Milo DuQuette, as well as dozens of Hebrew texts and manuscripts, the practicing magician can understand the Tree of Life and other Qabalistic concepts. Kraft has spent more than twenty years creating and perfecting a method by which "Qabalah is experiential as is mysticism and magick. If all you do is read, you are not a mystic, magician, or Qabalist. You must do!" writes Kraft.

Do you find yourself drawn to the mystical Kabbalah? Are you a beginner, seeking to understand what this wonderful, Kabbalistic way of life is all about? Perhaps you're seeking more information about Jewish mysticism? Whatever the case, this book will show you the very basics about Kabbalah, the essential philosophies that form the foundations of Jewish mysticism, and how you can apply this knowledge to your life. In this book, you'll learn: What the Kabbalah is (and what it isn't!) The Hermetic Qabalah, and its fundamental principles The core Kabbalistic concepts you need to know to get your practice right The angels that are most relevant to the practice of Kabbalah Kabbalah and its divine connection to the stars The difference between the knowable and unknowable Divine The five levels of your soul and how we ascend them and descend them The sacred Kabbalistic texts that form the main source of your Kabbalistic knowledge And lots more! With this handy guidebook as your starting point, you can finally take the plunge into your practice of Kabbalah. You will find this book to be a refreshing one, as you learn that you don't have to be a rabbi, or know how to speak fluent Hebrew or Aramaic, or even be a Jew before you enjoy the light of the Kabbalah in your life. Before you read any other book, use this one as a launchpad, and you won't have to deal with the confusion that most beginners often experience when reading other texts. Click the "add to cart" button to learn how to follow the way of Kabbalah.

Kabbalah For Dummies presents a balanced perspective of Kabbalah as an "umbrella" for a complex assemblage of mystical Jewish teachings and codification techniques. Kabbalah For Dummies also shows how Kabbalah simultaneously presents an approach to the study of text, the performance of ritual and the experience of worship, as well as how the reader can apply its teaching to everyday life.

Meditative methods of Kabbalah. A lucid presentation of the meditative methods, mantras, mandalas and other devices used, as well as a penetrating interpretation of their significance in the light of contemporary meditative research.

The Kabbalist Rabbi Laitman, who was the student and personal assistant to Rabbi Baruch Ashlag from 1979-1991, follows in the footsteps of his rabbi in passing on the wisdom of Kabbalah to the world. This book is based on sources that were passed down by Rabbi Baruch's father, Rabbi Yehuda Ashlag (Baal HaSulam), the author of 'the Sulam', the commentaries on The Book of Zohar, who continued the ways of the Ari and Rabbi Shimon Bar Yochai and many great Kabbalists throughout the generations before them. The goal of this book is to assist individuals in confronting the first stages of the spiritual realm. This unique method of study, which encourages sharing this wisdom with others, not only helps overcome the trials and tribulations of everyday life, but initiates a process in which individuals extend themselves beyond the standard limitations of today's world.

With origins extending back in time beyond the Dead Sea Scrolls, the body of writings and beliefs known as the Kabbalah has come to be increasingly recognized not only as one of the most intriguing aspects of Judaism but also as an important part of a broader mystical tradition. Now the world's leading authority on the Kabbalah has written one of the most enlightening studies ever to plumb its complex depths and range over its rich history.
