This page is aimed at the care and training of the male slave. The development of the slave is a special process, seeing him grow and move towards is rebirth as a pure slave. Components of this can be use for recreational slavery - that is not living the SM life style but treating is as sport. This is also valid as there are few real slaves who are able to devote what is necessary to even approach the 24/7 SM life style, just as one of the jobs of the Master is to feed the slaves soul.
