Bedford, Obstetrics and Diseases of Women and Children; Professor John Revere, Theory and Practice of Medicine; Professor Martyn Paine, Institutes of Medicine and Materia Medical. Clinical instruction began in Bellevue Hospital in 1847.

NYU Langone History | Lillian & Clarence de la Chapelle ...
Then there's the matter of the mental state of the person receiving the information: When someone recently wrote to The Ethicist asking whether he should share with an emotionally fragile relative that his mother's death had been a suicide, for example, Appiah urged caution. " STEP FOUR: CHANGE YOUR MIND, MAYBE SEVERAL TIMES. BREATHE.
