If you really want to get anal about things, you have an Economy tractor that is a Power King model, not a 1612. The numbers were not used until the company built tractors became known as Power Kings and not Economys. I find the numbers much easier to nail down what someone is talking about myself so I'm cool with it.

*1968 1612 With Fel - Power King, Economy Tractor Forum ...*

The Jim Dandy became the 1612 and the old Power King models became 1614, 1618, 2414, etc. The number system is nothing more than the rear tire size (24 or 16) and the horse power (12, 14, 16, 18 etc.) I own three of these tractors. 1973 Economy 14 horse with 16" rear wheels. (many folks would call this a 1614)
