Online Library

Sap General

actual Test. How should we know? We know, because although we have been working as an SAP Hana and Finance consultant for many years, we have recently certified with the latest version of the Certification test. Before you start here are some Key features of the Certification Exam. This certification exam

Online Library

Sap General

ledger Account

Questions And

Answers

verifies that the candidate has the knowledge required in the area of SAP S/4 HANA for Financial Accounting. This certificate builds on basic consultant skills and experience that is then refined by practical experience during several projects. Candidates must also demonstrate

Online Library
Sap General
Ledger Account
Understanding of
Financial Closing,
Accounts Payable,
Accounts Receivables,
General Ledger
Accounting, Asset
Accounting and Cross
Functional Topics. The
exam is Computer based
and you have three
hours to to answer 80
Questions. The
Questions are (mostly)
multiple choice type and

Online Library

Sap General

there is NO penalty for an incorrect answer.

Some of the Questions have more than one

correct answer. You must get ALL the options correct for you to be awarded points.

For questions with a single answer, the answers will have a button next to them.

You will be able to select only one button.

Online Library

Sap General

For questions with multiple answers, the answers will have a 'tick box' next to them. This allows you to select multiple answers. You are not allowed to use any reference materials during the certification test (no access to online documentation or to any SAP system). Clearing the Certification will not automatically lead you

Online Library

Sap General

to a job. However a Certification with some project experience will certainly open a lot of doors for you. So if you have little or no experience, you should get yourself certified, get some project experience, and then the whole of the SAP Consulting World open for you to explore.

Helping you with the

Online Library

Sap General

first step on you ladder to success is this book! Some UNIQUE features of this Book: - There is NO Other quality material in the market for this Certification exam. - The authors have themselves cleared the exam. - All questions are multiple choice format, similar the questions you will get in the actual exam. -

Online Library Sap General

Over 150 authentic
questions, testing the
exact same concepts that
will be tested in Your
exam!

Annotation The book
explains the important
concepts / terms used in
FI, provides you with
