Do I receive the NICEIC technical manual as a approved contractor or do I need to purchase it? I purchased the disc back in march before I was an approved contractor and that copy has now expired. I was told that as an approved contractor I will receive the disc again which has not yet happened. I know I can reset my computers time to get the current disc to load but I would be grateful if ...

Technical expert - NICEIC . Add new comment; Comments. ianb. Tue, 17/11/2020 - 10:00 . I have found that retro fitting an SPD on a domestic board can be done pretty well anywhere there is space on the board (usually where the space is at the opposite end to the main switch!) and that it is quite easy to keep the total length of conductors down to under 0.5m. Where you buy a kit, the leads ...
