It is set in an eighteenth-century style mythical world that has magic and magical creatures. The main theme of the book is that helping others brings happiness to yourself. Ariella is the daughter of a prosperous lord.

The River's Gift by Mercedes Lackey

A river is a stream of water that flows through a channel in the surface of the ground. The passage where the river flows is called the river bed and the earth on each side is called a river bank. A river begins on high ground or in hills or mountains and flows down from the high ground to the lower ground, because of gravity. A river begins as a small stream, and gets bigger the farther it flows.

writing history, autobiographies and biographies, and literary fiction and essays." "Existing accounts of Morris's work are largely confined to reviews and magazine essays, and often concentrate on James Morris's sex change and transformation into Jan Morris. This is of course significant to the writing, and some critics detect a change of tone and style afterward, but a detailed analysis of how her writing works has not yet been undertaken. In *Traveling Genius*, Gillian Fenwick fills that gap in the scholarship with the first study to explore the depths of Morris's complete body of work, utilizing close readings and archival research."--BOOK JACKET.
