Grace is something that is incredibly simple in theory, deeply personal and very difficult to implement in our everyday lives. Grace is the defining element of Christianity and it is beautiful. Yet, the idea that we are loved and there is nothing that we can do that will change that love is met with skepticism at best and usually suspicion.

*What's So Amazing About Grace?: Yancey, Philip ...*

What's So Amazing About Grace? is a 1997 book by Philip Yancey, an American journalist and editor-at-large for Christianity Today. The book examines grace in Christianity, contending that people crave grace and that it is central to the gospel, but that many local churches ignore grace and instead seek to exterminate immorality.

*[PDF] Whats So Amazing About Grace? Book by Philip Yancey ...*

I had originally conceived a book called What's So Amazing About Grace and Why Don't Christians Show More of It? in order to speak to the growing enchantment of American Christians with right-wing politics. Christians were becoming known mainly for what they were against: pornography, homosexuality, abortion, etc. That disturbed me, as I see grace as one of the great, often untapped, powers of the universe that God has asked us to set loose.

102 quotes from What's So Amazing About Grace?: 'God loves people because of who God is, not because of who we are.'

### *What's So Amazing About Grace? Quotes by Philip Yancey*

In *What's So Amazing About Grace?* award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy?

Discover grace as you've never known it before: the most powerful force in the universe and our only hope for love and forgiveness. Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else--for only grace can bring hope and transformation to a jaded world.

### *What's So Amazing About Grace? - LifeWay*

Discover grace as you've never known it before: the most powerful force in the universe and our only hope for love and forgiveness. Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else - for only grace can bring hope and transformation to a jaded world.

In 1987, an IRA bomb buried Gordon Wilson and his twenty-year-old daughter beneath five feet of rubble. Gordon alone survived. And forgave. He said of the bombers, "I have lost my daughter, but I bear no grudge. . . . I shall pray, tonight and every night, that God will forgive them." His words caught the media's ear--and out of one man's grief, the world got a glimpse of grace. Grace is the church's great distinctive. It's the one thing the world cannot duplicate, and the one thing it craves above all else--for only grace can bring hope and transformation to a jaded world. In *What's So Amazing About Grace?* award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a world that knows far more of cruelty and unforgiveness than it does of mercy? Yancey sets grace in the midst of life's stark images, tests its mettle against horrific "ungrace." Can grace survive in the midst of such atrocities as the Nazi holocaust? Can it triumph over the brutality of the Ku Klux Klan? Should any grace at all be shown to the likes of Jeffrey Dahmer, who killed and cannibalized seventeen young men? Grace does not excuse sin, says Yancey, but it treasures the sinner. True grace is shocking, scandalous. It shakes our conventions with its insistence on getting close to sinners and touching them with mercy and hope. It forgives the unfaithful spouse, the racist, the child abuser. It loves today's AIDS-ridden addict as much as the tax collector of

Jesus' day. In his most personal and provocative book ever, Yancey offers compelling, true portraits of grace's life-changing power. He searches for its presence in his own life and in the church. He asks, How can Christians contend graciously with moral issues that threaten all they hold dear? And he challenges us to become living answers to a world that desperately wants to know, What's So Amazing About Grace?

A stunningly innovative visual edition of the award-winning What's so amazing about grace? by bestselling author Philip Yancey. This visual edition takes the text of the Gold Medallion Award-winning original and illustrates its themes and message with provocative full-color photography and illustrations. You'll 'experience grace' as you interact with its engaging visual content.

Do Christians choose to have faith, or is faith a supernatural work of God? Far from an abstract intellectual exercise, this question has vast implications for the hope, joy, and assurance of the Christian life. When the truth of God's sovereign grace breaks into our minds and hearts, it changes everything. In What's So Great about the Doctrines of Grace? Dr. Richard D. Phillips takes us on a tour of the doctrines of grace, also known as the five points of Calvinism. With clear biblical exposition, he helps us to see the extent of our corruption in sin, to anchor our faith in the fullness of grace, and to trust in God's promise to finish what He started--the salvation of His people. When we rely on God's all-sufficient grace, we can truly live for His all-consuming glory.

Grace loves stories, whether they're from books, movies, or the kind her grandmother tells. So when she gets a chance to play a part in Peter Pan, she knows exactly who she wants to be. Remarkable watercolor illustrations give full expression to Grace's high-flying imagination.

We speak of grace often. But do we understand it? More important, do we truly believe in it . . . and do our lives proclaim it as powerfully as our words? In What's So Amazing About Grace?, award-winning author Philip Yancey explores grace at street level. If grace is God's love for the undeserving, he asks, then what does it look like in action? And if Christians are its sole dispensers, then how are we doing at lavishing grace on a cruel and pain-filled world? In fourteen sessions, this study guide will help you to interact deeply with Yancey's most personal and provocative book yet. If you're willing to leave your comfort zone to embrace a more vigorous, passionate Christianity--read on. And prepare to grapple with grace and "un-grace" on a personal level. You'll consider how you can contend graciously with today's tough moral issues. And you'll discover how you can become Christ's answer to a world that desperately wants to know, What's So Amazing About Grace?

You may talk about forgiveness often, you may believe that you are a forgiving person, but do you understand the true depth of it and what it demands of you? Does your life proclaim it as powerfully as your words? Adapted from his bestselling book, What's So Amazing About Grace?, bestselling author Philip Yancey presents a one of a kind, probing look at forgiveness: what it is, why it is so difficult, why we have to choose it again and again. The Gospel makes clear the connection: God forgives our debts as we forgive our debtors. The reverse is also true: Only by living in the stream of God's forgiveness will we find the strength to respond with forgiveness toward others. Christians can and must reveal the forgiveness the world is yearning for. The healing of our broken world starts with forgiveness--the beginning and ending of grace.

"Why does the church stir up such negative feelings?" Philip Yancey has been asking this all his life as a journalist. His perennial question is more relevant now than ever: in a twenty-year span starting in the mid-nineties, research shows that favorable opinions of Christianity have plummeted drastically--and opinions of Evangelicals have taken even deeper dives. The end of the politics-oriented Evangelicalism that was so dominant in the second half of the 20th century is a strong example that we are living in a post-Christian culture. Yet while the opinions about Christianity are dropping, interest in spirituality is rising. Why the disconnect? Why are so many asking, "What's so good about the "Good News?" Yancey's writing has focused on the search for honest faith that makes a difference for a world in pain. In his landmark book What's So Amazing about Grace he issued a call for Christians to be as grace-filled in their behavior as they are in declaring their beliefs. But people inside and outside the church are still thirsty for grace. What the church lacked in its heyday is now exactly what it needs to recover to thrive. Grace can bring together Christianity and our post-Christian culture, inviting outsiders as well as insiders to take a deep second look at why our faith matters and about what could reignite its appeal to future generations. How can Christians offer grace in a way that is compelling to a jaded society? And how can they make a difference in a world that cries out in need? Yancey aims this book at Christian readers, showing them how Christians have lost respect, influence, and reputation in a newly post-Christian culture. "Why do they hate us so much?" mystified Americans ask about the rest of the world. A similar question applies to evangelicals in America. Yancey explores what may have contributed to hostility toward Evangelicals, especially in their mixing of faith and politics instead of embracing more grace-filled ways of presenting the gospel. He offers illuminating stories of how faith can be expressed in ways that disarm even the most cynical critics. Then he explores what is Good News and what is worth preserving in a culture that thinks it has rejected Christian faith.

The creators of this visual edition of Jesus designed it with the needs of contemporary postmodern readers in mind: both spiritual seekers and the younger, more visually oriented readers of today's culture. Jesus takes the text of the ECPA Book of the Year award-winning The Jesus I Never Knew and illustrates its themes and message with provocative full-color photography and visuals. Readers will understand when Yancey says, "No one who meets Jesus ever stays the same."

Keller explores a life of justice empowered by an experience of grace.

God's Grace Empowers You To Do The Impossible! You have probably heard grace defined as God's unmerited favor and that is absolutely true, but it is so much more. Grace is the power that God willingly gives us to help us do what we could never do on our own. When God said to Paul, "My grace is sufficient for you," He was giving Paul His power to be set free from the thorn that was buffeting him. However, Paul had to understand how to use God's grace in order to be set free. In this fresh new outlook on grace, Dr. Larry Ollison shares how to approach the throne of grace with confidence and boldness and find the power to overcome things you could never overcome in your own strength-even works of the flesh. Grace is not a license to sin, but rather it empowers us to be able to say "no" to sin and temptation. In this book you will come away with a deeper understanding of this wonderful gift that God has given to the Church. His free gift of grace is sufficient and more than enough to meet any situation you face.
