Paul Auster is a master of words. This is a memoir that I read with pleasure, the pleasure caused by everything that is well crafted. The longest sentence in this book has 352 words (yes, I counted them), and it almost sounds like music, like a song you don't want to end. Not all of Paul Auster's works have this virtue, but this one does.

Winter Journal by Paul Auster - Goodreads

You are swept along by Auster's candid and well-written memoir. Winter Journal begins with events that sere your memory: the wounds that scar your body--each has its story. You are six years old...ten...twelve and even in your sixties you recall with stark clarity each bloody incident.

Winter Journal: Auster, Paul: 9780805095531: Amazon.com: Books

In his quietly transfixing new memoir, Winter Journal, Paul Auster meditates on what it means for his mind, body, and creativity to experience the unforgiving passage of time. This should be--and is--an intensely personal chronicle, but Auster makes the journey equally ours by inviting us into its unfolding.

Winter Journal: Auster, Paul: Amazon.com: Books

On January 3, 2011, exactly one month before his sixty-fourth birthday, internationally acclaimed novelist Paul Auster sat down and wrote the first entry of Winter Journal, his unorthodox, beautifully wrought examination of his own life, as seen through the history of his body.

Winter Journal | Paul Auster | Macmillan
