Kim Dare's own experience with the Lifestyle give a wealth of experience in the subtle construction of poignant, trust based kink relationships. She carefully confronts the questions of guilt, shame and consent in her well crafted novels, so that the sex is a beautiful example of plot and character development rather than the badly written porn other authors seem to be trapped into.

Money. Excitement. Duty. Lust. Four men have agreed to be thrown to the local pride of werelions. Each man might have had a different motive when he first applied for the position of willing human sacrifice, but one thing is guaranteed—once a man is delivered, bound and naked, to the lions' doorstep, he's destined to receive far more than he ever bargained for.
